COMPANY PROFILE

from foundation to future..

Constructing Quality. Delivering Trust.

VENTRADE MALAYSIA SDN. BHD.

VENTRADE MALAYSIA

WHO WE ARE

Established in 2009, **Ventrade Malaysia Sdn. Bhd.** is a trusted construction company in Malaysia, delivering projects with precision, punctuality, and professionalism.

We specialize in residential, commercial, industrial, and civil construction, providing end-to-end solutions from planning and design to execution and completion. Every project is guided by our commitment to quality, safety, and innovation, ensuring durable and future-ready structures.

Supported by a skilled team of engineers, project managers, supervisors, and a dedicated workforce, we manage every aspect of construction with efficiency and care.

Our goal is to turn ideas into high-performing, sustainable, and lasting built environments.

With a vision to be one of Malaysia's most trusted construction companies, Ventrade Malaysia continues to grow, innovate, and deliver exceptional results for every client.

OUR STORY

Precision. Punctuality. Professionalism.

Ventrade Malaysia Sdn. Bhd. is a leading and reputable construction company based in Selangor, Malaysia. We provide comprehensive project management solutions and a wide range of construction and interior enhancement services designed to meet the diverse needs of our valued clients.

With a strong foundation in engineering, project delivery, and technical expertise, we specialize in residential, commercial, industrial, and civil construction. Our team is driven by a commitment to **high quality workmanship, reliable execution, and innovative building solutions**. Ensuring every project is delivered with accuracy and excellence.

As a prominent player in the Malaysian construction industry, our experienced workforce inspires confidence through consistent performance, attention to detail, and the assurance that every project is managed with care and precision. Clients trust us for our professionalism and our ability to deliver results that meet expectations, timelines, and safety standards.

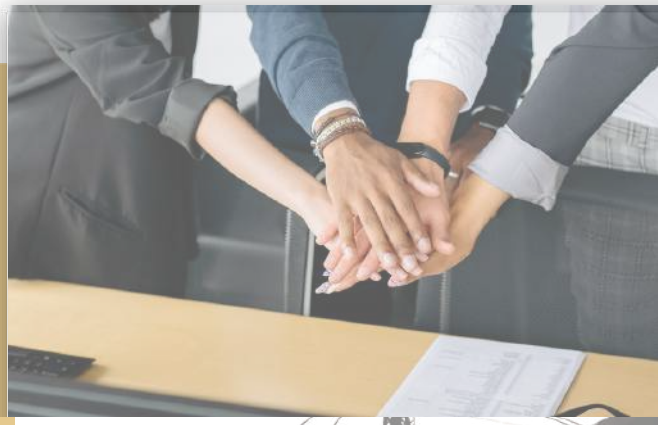
Our established management structure oversees all critical aspects such as planning, procurement, coordination, and execution also supported by skilled managers, engineers, supervisors, and a dedicated on-site workforce.

Ventrade Malaysia Sdn. Bhd. continues to expand its capabilities and explore new opportunities across Malaysia and beyond. We remain committed to enhancing our operations, elevating our service quality, and building structures that contribute lasting value to the communities we serve.

OUR VISION

To be one of Malaysia's most trusted and respected construction companies, known for quality, integrity, and consistency.

OUR MISSION



- To build high-quality structures that meet and exceed client expectations.
- To ensure efficient project delivery within time, budget, and specification.
- To apply modern construction techniques and sustainable practices.
- To prioritize safety and compliance in all operations.
- To create long-term partnerships through professionalism and trust.

OUR CORE SERVICES

At **Ventrade Malaysia Sdn. Bhd.**, we deliver comprehensive construction solutions tailored to meet the highest standards of quality, safety, and efficiency. Our services cover every stage of the building process from planning and coordination to final delivery ensuring seamless execution and exceptional results.

BUILDING CONSTRUCTION

We specialize in constructing buildings that combine strength, functionality and modern design :

- **Residential developments (landed homes & high-rise buildings)**
- **Commercial buildings & retail complexes**
- **Office buildings & corporate facilities**
- **Lifestyle buildings & community facilities**

INDUSTRIAL CONSTRUCTION

We deliver high performance industrial facilities designed for operational efficiency and heavy-duty use :

- **Warehouses & distribution centres**
- **Light & heavy industrial factories**
- **Manufacturing plants**
- **Assembly & logistics facilities**

CIVIL & STRUCTURAL ENGINEERING WORKS

Our civil and structural engineering works follow strict technical standards to guarantee safety and reliability :

- **Earthworks & land preparation**
- **Structural concrete works**
- **Steel structure fabrication & installation**
- **Infrastructure, drainage & utilities**

from foundation to future...

OUR CORE SERVICES

MECHANICAL & ELECTRICAL (M&E) WORKS

We provide integrated M&E solutions essential for building performance and user comfort :

- Electrical installation
- Mechanical systems
- Plumbing & sanitary systems
- Fire-fighting installation

REFURBISHMENT, UPGRADING & ENHANCEMENT

We restore, upgrade, and enhance existing structures to meet modern standards. Interior & exterior renovation :

- Building retrofitting
- Structural strengthening
- Façade modernization

PROJECT MANAGEMENT & TECHNICAL COORDINATION

We provide end-to-end project coordination to ensure smooth workflow and timely delivery :

- Project planning & scheduling
- Site supervision & quality monitoring
- Technical coordination with consultants
- Safety enforcement & compliance management

from foundation to future...

OUR CORE VALUE

Customer Focus

We strive to understand, anticipate, and fulfil the needs of our clients ensuring complete satisfaction through responsive service and tailored solutions.

Integrity

We conduct ourselves with the highest levels of honesty, transparency, and credibility. Integrity is the foundation of every relationship we build and every decision we make.

Commitment

Our passionate and dedicated team is fully committed to delivering exceptional service and outstanding results for our valued clients. We take pride in every project entrusted to us.

Professionalism

Our passionate and dedicated team is fully committed to delivering exceptional service and outstanding results for our valued clients. We take pride in every project entrusted to us.

Strong Network

We foster and maintain strong, respectful relationships with our suppliers, subcontractors, professional partners, and clients—ensuring collaboration, trust, and long-term success.
